The hero in my heart

My father is the hero in my heart. He is an ordinary person, but he is very special in my heart. He is very brave, hard-working and responsible. I am afraid of mouse; my father will stand out to help me drive it out. It is funny to watch him fighting with mouse. He is not only caring for me, but also looking after of my grandparents. He is glad to do this and never complain. As for his job, he works very hard. Sometimes the uncle working with my father will praise him in front of me. My dad is the hero in my mind. I want to be a person like him when I grow up.
