## 书面表达

22. 【答案】 Dear Tom,

I am happy to introduce our Teachers' Day to you. Our National Teacher's Day, which has a history of 32 years, falls on the 10th of September each year. We celebrate it to honor our teachers. And we Chinese people actually have the long tradition of respecting and valuing teachers in our culture.

We held a lot of celebration activities in our school this year. In the morning, we lined up on both sides of the gate and said "Happy Teachers' Day" to every teacher coming in. We also gave them flowers to show our respect and best wishes. During the noon time, the student band, dancing group, as well as the teachers gave performances. Even the retired teachers came back to join us. We could see happy smiles on every one's face.

After school I went to visit my favorite teacher, Mr. Dawson. He is my English teacher. I like him, because he's not only learned but also humorous. He helps me a lot with my English learning.

Many students will bring in special gifts for their teacher's, for example; my favorite teacher, Mr. Dawson, is very fond of space, so I got him some Chinese Aerospace themed stamps. What do you usually do on teacher's Day?

Best wishes,

Ryan
